C Am7 Dm7 G
C Am7 Dm7

Senti muita sede eu estou com fome, mas hoje decidi quero te encontrar.

Eu sei que o rio corre pro mar e que o sol nunca vai se apagar na noite escura eu olho pro céu

vejo as estrelas.

Eu sei que um dia eu irei te encontrar, entre as estrelas e as ondas do mar e como criança

deitar no teu colo ? e poder cantar.

Me abraça Senhor Jesus me abraça.

Me acolhe e vem me curar me abraça.

Eu sou apenas uma folha seca exposta ao vento meu Senhor.

(Ab7) Me abraça me Salva e me cura no teu abraço de amor.

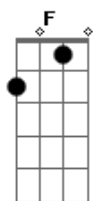

Me abraça Senhor Jesus me abraça.

Me acolhe e vem me curar me abraça.

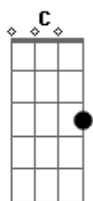

Eu sou apenas uma folha seca exposta ao vento meu Senhor.

Me abraça me Salva e me cura no teu abraço de amor.
