

# Letrux - 5 Years Old

Tom: G

Accept all happiness from me A

Accept all happiness from me

And can you touch my body

Like it's something new?

Can you touch my body

Like it's something new?

I never thought I'd cry so much

I never thought I would be this cry baby

Baby, cry

Cry baby

Life

Is not as easy as I thought it would be

When I was five

Is not as easy as I thought it would be

When I was five

When I was five

When I was five

When I had a life

You should come and

Accept all happiness from me

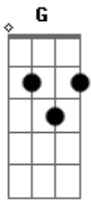

Accept all happiness from me

Accept all happiness from me

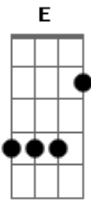

Accept all happiness from me

Eu aceito as minhas outras vidas
