

# Letter B - Madness

Tom: C

I can't see <sup>Em</sup> into your darkness  
 But I've heard <sup>Bm</sup> the reasons for what you seek  
 I'm still following <sup>Am</sup> your footsteps  
 And I can't understand <sup>B7</sup> where they lead  
 You're running <sup>Em</sup> from the madness <sup>Bm</sup>

But it's in the madness that we can find sanity  
 Our mistakes <sup>Am</sup> can be forgiven  
 But the blessings <sup>B7</sup> are not for us <sup>B7</sup>  
 Each second <sup>C7</sup> that we've wasted  
<sup>B7</sup> Is exactly the same <sup>Em</sup> as losing our lives  
<sup>Am</sup> Nothing that is good comes from despair  
<sup>B7</sup> Not even the strength <sup>B7</sup> to overcome fear
