

Letter B - Madness

Tom: C

I can't see ^{Em} into your darkness
 But I've heard ^{Bm} the reasons for what you seek
 I'm still following ^{Am} your footsteps
 And I can't ^{B7} understand where they lead
 You're running ^{Em} from the madness ^{Bm}

But it's in the madness that we can find sanity
 Our mistakes ^{Am} can be forgiven ^{B7}
 But the blessings ^{B7} are not for us
 Each second ^{C7} that we've wasted
^{B7} Is exactly the same ^{Em} as losing our lives
^{Am} Nothing that is good comes from despair
^{B7} Not even the strength ^{B7} to overcome fear
