 Capostraste na 3ª casa
 Intro: C

C
 I fell by the wayside like everyone else
 Am
 I hate you, I hate you

I hate you but I was just kidding myself
 F
 Our every moment, I start to replace
 G
 'Cause now that they're gone, all

I hear are the words that I needed to say

C
 When you hurt under the surface
 Am
 Like troubled water running cold
 F G
 Well, time can heal but this won't

C G
 So, before you go
 Am
 Was there something I could've said

To make your heart beat better?
 F
 If only I'd've known you had a storm to weather

C G
 So, before you go
 Am
 Was there something I could've said

To make it all stop hurting?
 F
 It kills me how your mind can make

You feel so worthless
 G C
 So, before you go

C
 Was never the right time, whenever you called
 Am
 Went little by little by little until

There was nothing at all
 F
 Our every moment, I start to replay it
 G
 But all I can think about is seeing

That look on your face

C
 When you hurt under the surface
 Am
 Like troubled water running cold
 F G
 Well, time can heal but this won't

C G
 So, before you go
 Am
 Was there something I could've said

To make your heart beat better?

 If only I'd've known you had a storm to weather

C G
 So, before you go
 Am
 Was there something I could've said

To make it all stop hurting?

You feel so worthless
 G Am
 So, before you go

F G
 Would we be better off by now
 Am
 If I'd have let my walls come down?

F G
 Maybe; I guess we'll never know
 G C
 You know, you know

C G
 Before you go
 Am
 Was there something I could've said
