

Lewis Capaldi - Bruises

Tom: E

Dbm
 Counting days, counting days
 Since my love up and got lost on me
Dbm
 And Every breath that I've been taken
 Since you left feels like a waste on me
Dbm
 I've been holding on to hope
 That'll you come back when you can find some peace
Dbm
 Cause every word that I've heard spoken
 Since you left feels like an hollow street
A
 I've been told, I've been told
 To get you off my mind
Dbm
 But I hope I never lose the bruises that you left behind
A
 Oh my lord, Oh my lord
 I need you by my side
 There must be something in the wa ter
 Cause everyday it's getting col der
 And if only I could hold you
 You'd keep my head from going un der
Dbm
 Maybe I, maybe I'm just being blinded
 By the brighter side
Dbm
 Of what we had because it's over
 Well there must be something in the tide
A
 I've been told, I've been told
 To get you off my mind
Dbm

But I hope I never lose the bruises that you left behind
A
 Oh my lord, Oh my lord
