

Lewis Capaldi - Forever

Tom: Db

Db
 Caught me off guard, I wish that I'd been sober
Bbm Still, here we are back in Hanover 99 **Gb**
 Just like old times all over **Ab**
Db Under the exit lights as beautiful as ever
Bbm I really wish that I dressed up a little better
Gb No regrets is what we said, we can't go back again, darling **Ab**
Gb Nobody said that it would last forever **Ab**
Db That doesn't mean we didn't try to get there **Fm** **Bbm** **Ab**
Gb I never said that we would die together **Ab** **Ab** **Ab**
Db That doesn't mean it was a lie, remember **Fm** **Bbm** **Ab**
Gb Nobody said that it would last forever **Ab**
Db Head in my hands, cold coffee on the table
Bbm Wish you the best, I would if I was able **Ab**
Gb Morning light, it stings a little
Db Out of my mind, I don't remember calling
Bbm Had too much tonic wine, sometimes it does the talking
Gb

Hope you know I wish you all the love you're looking for, darling

Gb Nobody said that it would last forever **Ab**
Db That doesn't mean we didn't try to get there **Fm** **Bbm** **Ab**
Gb I never said that we would die together **Ab** **Ab** **Ab**
Db That doesn't mean it was a lie, remember **Fm** **Bbm** **Ab**
Gb Nobody said that it would last forever **Ab**

Db Forever
Bbm Forever
Gb **Ab** **Db** Forever

Gb Nobody said that it would last forever **Ab**
Db That doesn't mean we didn't try to get there **Fm** **Bbm** **Ab**
Gb I never said that we would die together **Ab**
Db That doesn't mean it was a lie, they'll never **Fm** **Bbm** **Ab**
Gb Take those long summer days **Ab**
 When love was untamed **Db**
 Two burning hearts are dared to break, remember **Fm** **Bbm** **Ab**
Gb Nobody said that it would last forever **Ab**
