

# Lewis Capaldi - Haven't You Ever Been In Love Before?

tom:

G

Don't put your cover up  
 You know it's bad for your health  
 And when the going's tough  
 You're way too hard on yourself  
 I wish you'd open up  
 And I'd lend a little to help  
 Before you dive off the deep end  
 Will you hold me like you want me?  
 But you don't give me nothin' else  
 Feel this happening  
 But you'll feel absent  
 Can you tell me what it is?  
 And she said this  
 "Haven't you ever been in love before?  
 You heard 'em say, it takes the pain away  
 And it's a feeling that you can't ignore  
 But it's more like a knife to me than a high to me  
 And my heart can't fall apart anymore  
 If you knew what I knew, you'd be terrified  
 Haven't you ever been in love before?"  
 If we don't work it out  
 That's something I could accept  
 But I feel you're ruling out  
 A love that ain't happened yet  
 And maybe I'm a fool

D  
 But I just can't live with regret  
 Em D  
 I'd rather dive off the deep end  
 Em C  
 Will you hold me like you want me?  
 G D  
 But you don't give me nothin' else  
 Em  
 Feel this happening  
 C  
 But you'll feel absent  
 G D  
 Can you tell me what it is?  
 G  
 And she said this  
 D Em C  
 "Haven't you ever been in love before?  
 G D  
 You heard 'em say, it takes the pain away  
 Em C  
 And it's a feeling that you can't ignore  
 G D  
 But it's more like a knife to me than a high to me  
 Em C  
 And my heart can't fall apart anymore  
 G D  
 If you knew what I knew, you'd be terrified  
 Em C  
 Haven't you ever been in love before?"  
 Em D  
 Well, we could be falling  
 G C  
 Falling  
 Em D  
 There's nothing I want more than all that you got  
 G C  
 'Cause I'm falling  
 G  
 And she said this  
 D Em C  
 "Haven't you ever been in love before?  
 G D  
 You heard 'em say, it takes the pain away  
 Em C  
 And it's a feeling that you can't ignore  
 G D  
 But it's more like a knife to me than a high to me  
 Em C  
 And my heart can't fall apart anymore  
 G D  
 If you knew what I knew, you'd be terrified  
 Em C  
 Haven't you ever been in love before?"
