

Lewis Capaldi - Heavenly Kind Of State Of Mind

tom:
E

[Primeira Parte]

E Dbm
It's almost cruel, the blue in your eyes
B A
The kind of blasphemy that makes a congregation cry
E Dbm
When I'm with you, it's like nothing else
B A
Like I could run and tell the Devil to go fuck himself

[Pré-Refrão]

Dbm A E
Oh Lord, I ain't afraid to die if it means I'm by your side
B
It would be such a heavenly way to say goodbye
Dbm A
From now, until the afterlife
E
Be in rain, or hail, or shine
B
We could be intertwined

[Refrão]

E Dbm B
Whether you were heaven-sent to save m?
A
From above
E Dbm B
Or the only one who do?sn't hate me
A
That's enough
E Dbm
When I need someone to save me from original sin
B A
You call me like a chorus only angels can sing
E Dbm B
Now I think about you all of the time
A
Oh, what a heavenly kind of state of mind

[Segunda Parte]

E Dbm B
You bring me peace, but I'm never fine
A
There's only chaos where I'm left here to my own device
E Dbm B
To tell the truth, I think you saved my life
A
Giving my heart, over to you, would be no sacrifice

[Pré-Refrão]

Dbm A E
Oh Lord, I ain't afraid to die if it means I'm by your side
B
It would be such a heavenly way to say goodbye
Dbm A
From now, until the afterlife
