

Lewis Capaldi - Hollywood

tom:
 Capostraste na 3ª casa
 Eb (forma dos acordes no tom de C)

Out of focus
 Didn't take a second to notice
 Now we're separated by oceans, vast
 Couldn't make this last

I wish I'd have stayed
 'Cause love can find a way to make your feet run heavy
 Make your heart run steady
 Then it breaks
 So I'm praying that you're feeling the same

You know I spent some time in Hollywood tryna find
 Something to get the thought of you and I off my mind
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back to the start?

All the streetlights
 Illuminate what home used to feel like
 And when I get to thinking, can't sleep at night
 No, I don't feel right

I wish I'd have stayed
 'Cause love can find a way to make your feet run heavy
 Make your heart run steady
 Then it breaks
 So I'm praying that you're feeling the same

You know I spent some time in Hollywood tryna find

Something to get the thought of you and I off my mind
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back to the start?
 Oh, and you know I would if I could
 Maybe I spend more time in Hollywood than I should
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back to the start?

If you can hear me, does it really have to end?
 I feel you close, although you're eight hours ahead
 If we can pick it up, just tell me where and when
 We'll go back to the start again
 If you can hear me, does it really have to end?
 I feel you close, although you're eight hours ahead
 If we can pick it up, just tell me where and when

We'll go back to the start a-
 You know I spent some time in Hollywood tryna find
 Something to get the thought of you and I off my mind
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back?

You know I spent some time in Hollywood tryna find
 Something to get the thought of you and I off my mind
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back to the start?
 Oh, and you know I would if I could
 Maybe I spend more time in Hollywood than I should
 So tell me honey, oh, when you're just a step away from falling apart
 Do you ever feel like going back to the start?
