

Lewis Capaldi - How I'm Feeling Now

tom:
 C
 Will you forgive me if I'm comin'
 C
 Off a little bit obtuse?
 G
 Well, it's been a minute now since
 I have had to tell the truth
 Am7 G
 I know I can
 F
 I won't
 C
 Suppose I thought that, by this moment
 I would have it figured out
 G
 But, instead, I tend to spend my days
 Consumed by seeds of doubt
 (Am7 G)
 I know I can
 F
 I won't
 F Am7
 Oh, darlin', it goes on and on and on
 G F
 Always, forever, till I'm barely
 Holdin' on
 G Am7
 End of my tether and I know it
 Won't be long
 G C G
 It won't be long till it's gone
 F Am7
 So here's to my beautiful life
 G
 That seems to leave me so unsatisfied
 F Am
 No sense of self, but self-obsessed
 G
 I'm always trapped inside my fuckin' head
 F F
 On and on and on, on and on and on
 Am Am
 On and on and on, on and on and on
 F Am
 Said, Thought I'd be happier somehow
 G
 If you were wonderin'
 C
 How I'm feelin' now
 C
 I try to tell myself my best days
 Are the ones that lie ahead

G
 But I'm always lookin' back on things
 I wish I'd never said
 Am G
 I know I can
 F
 I won't
 F Am
 Oh, darlin', it goes on and on and on
 G F
 Always, forever, till I'm barely
 Holdin' on
 G Am
 End of my tether and I know it
 Won't be long
 G C
 It won't be long till it's gone
 F Am7
 So here's to my beautiful life
 G
 That seems to leave me so unsatisfied
 F Am7
 No sense of self, but self-obsessed
 G
 I'm always trapped inside my fuckin' head
 F F
 On and on and on, on and on and on
 Am7 Am7
 On and on and on, on and on and on
 F Am7
 Said, Thought I'd be happier somehow
 G
 If you were wonderin' how I'm feelin' now
 C Cm F
 I won't lie, I'm a mess, yeah
 F G
 But I'll get there
 C Cm F
 No, I won't lie, I'm a mess, yeah
 F
 But I'll get there
 F Am7
 So here's to my beautiful life
 G
 That seems to leave me so unsatisfied
 F Am7
 No sense of self, but self-obsessed
 G
 I'm always trapped inside my fuckin' head

 On and on and on, on and on and on
