 Intro: C

C G  
 You said: Who are we fooling?  
 Am  
 I guess that you gave up  
 F G  
 On all that I am and all that I'm not  
 C  
 'Cause I'm fucking useless  
 G  
 And full of excuses  
 Am  
 I guess that you cut free  
 F G  
 From all that we are and will never be

Am Em F G  
 Now the flowers are dead like the hearts in our chest  
 Am Em F  
 And I'm hanging my head 'cause I'm trying to forget  
 Dm G  
 How we bled, and we bled, and we bled, and we bled

C G Am  
 So this is where we ended up  
 F C  
 All of those years that I wasted for love  
 G Am  
 And here it is forevermore  
 F Am  
 The house is on fire, and I can't find the door  
 Am7 Am7  
 If I had the heart to start it again  
 Am F  
 I'd stamp out the sparks in my own self-defence  
 Fm  
 Say: You ain't gonna like how this ends

C  
 You know if we went back  
 G  
 To fix what we once had  
 Am  
 There'd still be no chance  
 F G

For you and me 'cause inevitably  
 Am Em F G  
 All the flowers would die and the tears from your eyes  
 Am Em F  
 Would come as no surprise as I tried to forget  
 Dm G  
 How we bled, and we bled, and we bled, and we bled

C G Am
