

# Lewis Capaldi - Rush (feat. Jessie Reyez)

Tom: Db

(forma dos acordes no tom de G )  
Capostrate na 6ª casa

[Verso 1]

Em G  
The space between where our ends meet  
C  
Has grown too much for me to block it out  
Em G  
I miss the tone of your heartbeat  
C  
It's such a warming and familiar sound  
Em D G  
I hope you're finding the power  
C  
To help you make it through the darker days  
Em G  
For now, I wait by the hour  
C D  
If you wanna take somebody's breath away

[Refrão]

G D C  
I hope you're lonely, hope you're lost 'cause I've been  
D Em  
And I'd hate to think you're better off without me  
D  
I know we tried to hold on  
C  
But where do you go  
Cm G  
When love, it just ain't enough?  
G D C  
Now does it kill you when you think about me?  
D Em  
Are you as close to giving up as I've been?  
D  
I know we kept losing touch  
C  
Got lost in the rush  
Cm G  
I pray you don't hurt too much

[Verso 2]

Em G  
I don't come close to an angel  
C  
You ain't never been no kind of saint  
Em G  
But when we both came together  
C  
Hell to heaven, you were my escape  
Em D G  
But fires don't burn forever  
C  
And all these ashes crumble when we touch  
Em G  
We danced to death in the fire  
C D  
What can we do now the music's done, my love?

[Refrão]

G D C  
I hope you're lonely, hope you're lost 'cause I've been  
D Em  
And I'd hate to think you're better off without me

D  
I know we tried to hold on  
C

[Ponte]

D  
Well, we had it all  
Em  
And we let it fall  
C  
But I hope you find whatever you are looking for  
D  
Well, we had it all  
Em  
And we let it fall  
C  
Lost in the rush

But I pray you don't hurt too much
