

Lewis Capaldi - Wish You The Best

tom:
 Eb (forma dos acordes no tom de C)
 Capostraste na 3ª casa

I miss knowing what you're thinking
 And hearing how your day has been
 Do you think you could tell me everything, darling
 But leave out every part about him?
 Right now, you're probably by the ocean
 While I'm still out here in the rain
 With every day that passes by since we've spoken
 It's like Glasgow gets farther from LA
 Maybe it's supposed to be this way

But, oh, my love
 I wanna say: I miss the green in your eyes
 And when I said we could be friends, guess I lied
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
 And you were everything I need all along
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best

Well, I can't help but notice
 You seem happier than ever now
 And I guess that I should tell you: I'm sorry

It seems I was the problem, somehow

Maybe I only brought you down
 But, oh, my love
 I wanna say: I miss the green in your eyes
 And when I said we could be friends, guess I lied
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
 And you were everything I need all along
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best

But, oh, my love
 Ooh
 Oh, my love
 Ooh

Wish I could say it's something I really mean
 But I want you happy whether or not it's with me
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
 And you were everything I need all along
 I wanna say: I wish that you never left
 Oh, but instead: I only wish you the best
