Lewis Watson - It Could Be Better

Tom: C
Intro: Am F G F

Am
I don't want to talk
F
Cos it will only hurt more
Am
I don't want to bring it up again
D F
Cos it hurt like hell before

Am
You know me too well
C F
You make my head spin and I'll just say something wrong
Am
You pull me out of my shell
G F
And then hate me when I'm done

G
But if the rain keeps falling
F
And you can't see the tears in my eyes
G
They say the night is daunting
F C Dm
But we all need somewhere to hiiiiide

Am C F
So it could be better if I kept it to myself
Am C F
It could be better if I left it on the shelf
G F
Before I go and say something I don't mean
Am C F
It could be better if I kept it to myself

Am
Let's wipe the slate clean
F
And I'll bottle it up again
Am
It's just how I've always been
F
Even without you

G
Cos if the rain stops falling
F
And you start to see the tears in my eyes
G
And if the night stops calling
F Em Dm
And we won't have somewhere to hiiiiide

Am C F
So it could be better if I kept it to myself
Am C F
It could be better if I left it on the shelf
G F
Before I go and say something I don't mean
Am C F
It could be better if I kept it to myself

F Dm
I'd rather forget than have to forgive
Am G
I'd rather lose it than live with this memory
F Dm
Don't want to accept the things that you did
Am G
I try not to show it but you know it hurts me
F Dm
I'd rather forget than have to forgive
Am G
I'd rather lose it than live with this memory
F Dm
Don't want to accept the things that you did
Am G
Cos you know it hurts me, yeah

F Am G
Before I go and say something I don't mean
F Am G
Before I go and say something I don't mean
Am C F
So it could be better if I kept it to myself
Am C F
It could be better if I left it on the shelf
G F
Before I go and say something I don't mean
Am C F
It could be better if I kept it to myself
