Tom: C

Am C Em
When I close my eyes I hear you singing
Am C
singing me a song that I'll forget

Em
I always forget

Am C Em
I try to take myself back to sleeping

F
you pick me up

Am G
but I let you down

F C G
It was so clear but now it's gone

F C G
I couldn't keep my eyelids shut

F C G
Why can't you stay?
