

Lewis Watson - Windows

Tom: C
Intro: F C G

F C G F
I'm not here to startle you
C G F C
Hell, I only came 'cause you asked me to
G Am
It's such a shame that we can't renew
Em F
All these feelings that we shared back a month or two
C G F
You know, I kept everything that reminds me of us
C G F
It sounds weird but your picture's still hung up
F G Am
I've tried getting distracted by other stuff
Em
But it's not enough
C G Am G
I'm sleeping with a pillow, under lamplight.
C G Am
Freezing cold, 'cause you always liked the windows
G F
Opened wide.
G C G Am
Just so you know, I'll be here when you make it home.

F C G F
So, I'll call you up at like 3am, again
C G F
Just to make sure you know that I don't mind waiting,
C G Am
Although the call will end with us both saying
Em F
That we both hate this
C G F
I'm not sleeping too well, now I'm sleeping alone
C G F
And all you have to do is pick up the phone
C G F
And I'll come running to your aid but I'm sure you know
C G
This won't help us grow
C G Am G
I'm still sleeping with a pillow, under lamplight.
C G Am
Freezing cold, 'cause you always liked the windows
G F
Opened wide.
G C G Am G
Just so you know, I'll be here when you make it home.
