

Liam Gallagher - C'mon You Know

```
So let's start living, be thankful and give in
                           tom:
               Ab (forma dos acordes no tom de G )
                                                                      Bb
                                                             We're only here for a short while
Capostraste na 1º casa
Intro: G Em C G
                                                             [Ponte]
[Verso]
                                                             I think it's coming home again
Come on, you know t's gonna be alright
                                                             I think it's coming home again
And we're gonna dance all night
                                                                           C
                                                             I think it's coming home again
           G
Come on you know
                                                                       C
                                                             I think it's coming home again
Get up, stand up if you feel alive
                                                             [Solo] Eb Bb C Gm Eb Bb C
I only wanna see you smile
Come on you know
                                                             [Refrão]
[Refrão]
                                                                          Bb
                                                                                С
                                                             Beautiful people, come out to play
            Bb C Gm
                                                                         Bb C
Beautiful people, come out to play
                                                             Brothers and sisters, it's time
Beautiful people, come CI
Eb Bb C
Brothers and sisters, it's time
Rb C Gm
                                                                           Bb C
                                                             So let's start living, be thankful and give in
                                                                      Bb
So let's start living, be thankful and give in
                                                             We're only here for a short while
            Bb C
                                                                                G
We're only here for a short while
                                                             I think it's coming home again
                   G Bb C G
                                                             I think it's coming home again
[Verso]
                                                             [Ponte]
Show love, I'm sick of acting like I'm tough
                                                              Gm
                                                                       Bb C
Come on baby gives a hug
                                                             Yeah, yeah
                                                              Gm Bb C
Come on you know
                                                             Yeah, yeah
                                                                       Bb C
                                                              Gm
                                                             Yeah, yeah
Freedom, I can feel it everywhere
                                                              Gm
So get your hands up in the air
                                                             Yeah, yeah
                                                                            C
                                                                                       Gm
                                                              Bb
Come on you know
                                                             I think it's coming home again (Yeah, yeah)
                                                             I think it's coming home again (Yeah, yeah)
[Refrão]
                                                                          C Gm
            Bb C
                                                             I think it's coming home again (Yeah, yeah)
Beautiful people, come out to play
Eb Bb
                                                             I think it's coming home again
Brothers and sisters, it's time
