

# Liam Gallagher - For What It's Worth

Tom: C

[Verse 1]

Am G F C C  
 In my defence all my intentions were good  
 Am G F G  
 and heaven knows a place somewhere for the misunderstood  
 D C F G  
 you know id give you blood if it'd be enough

[Verse 2]

Am G F C C  
 devils on my doorstep since the day i was born  
 Am G F G  
 its hard to find a sunset in the eye of a storm  
 D C F  
 but im a dream up by design and ill know in time  
 G  
 we'll put this behind

[Chorus]

C C Am G  
 For what it's worth im sorry for the hurt  
 F Em D G  
 ill be the first to say i made my own mistakes  
 C C Am G  
 for what it's worth i know its just a word  
 D  
 and words betray  
 F G C C  
 sometimes we lose our way  
 Am G F  
 for what its worth

G C C

[Verse 3]

Am G F C C  
 behind the lands is a poison picture you paint  
 Am G F G  
 and lets not pretend you were ever searching for saints  
 D C F G  
 cos ive been crucified for just being alive

[Verse 4]

Am G F C C

somewhere in the crossfire of this whispering war  
 Am G F G  
 seems like i've forgot just what i was fighting for  
 D C F  
 but underneath my skin theres a fire within  
 G  
 still burning

[Chorus]

C C Am G  
 For what it's worth im sorry for the hurt  
 F Em D G  
 ill be the first to say i made my own mistakes  
 C C Am G  
 for what it's worth i know its just a word  
 D  
 and words betray  
 F G C C  
 sometimes we lose our way  
 Am G F  
 for what its worth

G C C

[Bridge]

Am F C C  
 the first bird to fly gets all the arrows  
 Am F C C  
 lets leave the birds behind with all our sorrows  
 Am F C C Am  
 ill build a bridge between us and ill swallow my pride

G G F G

[Chorus]

C C Am G  
 For what it's worth im sorry for the hurt  
 F Em D G  
 ill be the first to say i made my own mistakes  
 C C Am G  
 for what it's worth i know its just a word  
 D  
 and words betray  
 F G C C  
 sometimes we lose our way  
 Am G F G C  
 for what its worth
