Capostrate na 1ª casa

Intro: G A C G
A C G

I've all I need and more

You hold the key for sure

If all I have is you

Then darling please be true

There's no time for looking back

Thanks for all your support

Slow down, all things must pass

Take your time, know the score

Tomorrow never knows

The winds of change must blow

I hibernate and sing

While gathering my wings

There's no time for looking back

Thanks for all your support

Slow down, all things must pass

Take your time, know the score

I've all I need and more

You hold the key

It's not goodbye

So dry your eyes

Come rain or shine

I've all I need and more

(G)

[Solo] Dm C G
Dm C G

There's no time for looking back

Thanks for all your support

Slow down, all things must pass

Take your time, know the score

It's not goodbye

So dry your eyes

Come rain or shine

I've all I need and more

You hold the key for sure (G)
