

# Liam Gallagher - Once

Tom: Gb

(forma dos acordes no tom de D )

Capostrate na 4ª casa

Intro: D Bm Gbm Em

[Verso 1]

It was easier to have fun back when we had nothing

Nothing much to manage

Back when we were damaged

Sometimes the freedom we wanted feels so uncool

You just clean the pool

And send the kids to school

[Refrão]

But oh I'll remember how we used to shine

Back then

You went down so easy like a glass of wine

My friend

When the dawn came up you felt so inspired

To do it again

But it's in doubt

You only get to do it once

[Verso 2]

I think it's true what they say that the dream is borrowed

You give it back tomorrow

Minus the sorrow

And the pain she just comes in to break up the daydream

When I fled shes waving

To keep repeating the same thing

[Refrão]

But oh I'll remember how we used to shine

Back then

You went down so easy like a glass of wine

My friend

When the dawn came up you felt so inspired

To do it again

But it's in doubt

You only get to do it once

[Ponte]

You only get to do it once

You only get to do it once

You only get to do it once

( D Bm D Bm )

( D Bm D Bm )

[Refrão]

But oh I'll remember how we used to shine

Back then

You went down so easy like a glass of wine

My friend

When the dawn came up you felt so inspired

To do it again

But we were wrong

You only get to do it once
