

Liam Gallagher - One Of Us

Tom: **Gb**

(forma dos acordes no tom de **Eb**)
Capostrate na 3ª casa

Hey kid, did you know it was 16 years ago
It was you and I for the last time
You angrily said, with a smoke ring 'round your heads
You would see me on the other side

C'mon, I know you want more
C'mon and open your door
After it all, you'll find out
You were always one of us
Act like you don't remember
You said we'd live forever
Who do you think you're kidding?
You were only one of us in time

When you come to mind, disappear a thousand times
Keep me hanging onto the the old life
Well, I've gotta go, maybe see you down the road

Won't you tell the kid I said, "Goodbye"

C'mon, I know you want more
C'mon and open your door
After it all, you'll find out
You were always one of us
Act like you don't remember
You said we'd live forever
End up at the beginning
You were only one of us in time
