

Liam Gallagher - Paper Crown

Tom: F

(com acordes na forma de E)

Capostrate na 1ª casa

Intro: E E

E E
When they gave you roses and believed your wild excuses

A E
You were sealing the deal

E
Halfway down the road and ain't it

E
Funny how the ghosts they fade and

A E
Suddenly appear

A Gb
You went too far

E A
Oh, woman, now you're feeling the fear

E A
'Cause you've never been alone before, oh

E A
And the wolf is at the door, oh

E Abm A
Now it's better if you hold your breath and don't look down

Gb A2 E E
At the pages of your paper crown

E E
You reached out for more and as the waves hit at the shore you
felt

A E
The fading of your will

E E
Choke back the meta from the bottom of the ladder ask me

A Abm
If I love you still

A Gb
You went too far

E A
Oh, woman, now you're feeling the fear

E A
'Cause you've never been alone before, oh

E A
And the wolf is at the door, oh

E Abm A
And the hounds of hell, they won't lie down

Gb A2 E
On the ashes of your paper crown

B A
In the bright light of the sun

E D A
Will you make sure everyone can see your face?

B A
You make fun of everyone who falls

E D A Gb
And meantime they were saving you a place

A E A
'Cause you've never been alone before, oh

E A
And the wolf is at the door, oh

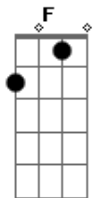

E Abm A
And the talking heads don't make a sound

Gb A2 E
At the aging of your paper crown

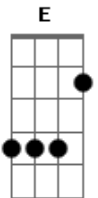

Gb A
It's better if you don't look down

Gb A2 E
At the pages of your paper crown
