**Am** **C** **G**  
 Baby, heard you've been talking about me lately  
**D** **Am**  
 Telling all your friends how much you hate me  
**C** **G**  
 But who you calling up when you get lonely?  
**D**  
 When you get lonely, yeah

**Am** **C**  
 You be saying real, real nice, real nice things  
 When I'm touching you  
**G** **D**  
 You be getting real, real, real, real, real jealous  
 When it wasn't you, oh  
**Am** **C**  
 And every now when my iPhone, iPhone rings  
 I be telling you  
**G** **D**  
 I told you, I told you, I told you

**Am**  
 You said it was over  
**C**  
 You said it was over  
**G** **D**  
 But your clothes say different on my bedroom floor  
**Am**  
 You said it was over  
**C**  
 You said it was over  
**G** **D**  
 But your clothes say different on my bedroom floor  
**Am** **C**  
 But your clothes say different on my bedroom floor  
**G** **D**  
 But your clothes say different on my bedroom floor, yeah

Baby, why you always act like you don't want me?  
 Don't make me bring up your dirty laundry  
 We always on and off until you're on me  
 Until you're on me, yeah

You be saying real, real nice, real nice things  
 When I'm touching you  
 You be getting real, real, real, real, real jealous  
 When it wasn't you, oh  
 And every now when my iPhone, iPhone rings  
 I be telling you  
 I told you, I told you, I told you

You said it was over  
 You said it was over  
 But your clothes say different on my bedroom floor  
 You said it was over  
 You said it was over  
 But your clothes say different on my bedroom floor  
 But your clothes say different on my bedroom floor  
 But your clothes say different on my bedroom floor, yeah  
 You said it was over, you said it was over  
 But your clothes say different on my bedroom floor, yeah

Oh, my bedroom floor  
 Your clothes are saying something different now  
 You wanna break up just to fix it now  
 Oh, baby

You said it was over  
 You said it was over  
 But your clothes say different on my bedroom floor  
 You said it was over  
 You said it was over  
 But your clothes say different on my bedroom floor  
 But your clothes say different on my bedroom floor  
 But your clothes say different on my bedroom floor, yeah  
 You said it was over  
 You said it was over (it's over)  
 But your clothes say different on my bedroom floor, yeah
