Lianne La Havas - Unstoppable

tom: G Ebm I'll wait a little longer Fm Ebm We're weak and getting stronger Rh7 I know it's taking the time to heal Ebm We'll be unstoppable Fbm Don't know what I did it for Fm Bb7 I needed to know that it was always real Fbm My head's held high when we walk down the line, honey Fm Bb7 Arm-in-arm through the clear night sky Ebm Let's be at peace, we'll fly Ebm Our hearts collide Bb7 Fm

Acordes

Can't escape the magnetic side Fbm I was like a satellite spinning away Ebm Almost lost forever and leaving no trace Fm Floating through the darkest reaches of space Bb7 To another galaxy Ebm Our polarity shifted around Fbm There is nothing else left holding us down Fm But it's just gravitational Bb7 Ebm We are unstoppable Fm I just can't escape the pull Bb7 We are unstoppable Fbm It's just gravitational Fm Bb7 We are unstoppable
