

## **The Libertines - France**

Tom: D Nothing but memories a base é a mesma na música inteira, inclusive nos solos: Bm So I remember your eyes that unique shade of brown While these blue eyes of mine they stay closed Bm G E Gb I kissed you goodbye on the M109Bm The ideal girl I choked as I watched the bus go In London from France Е I'm choking and smoking to your angelic soul Came over then left me E Gb
I'm choking and smoking myself into a hole Gb She left me entranced Bm Bm Now I have to get by Where the only way out is to sleep and to dream Gb G And to cry out your name Once again on my own Е
