

The Libertines - Heart Of The Matter

Tom: G

No one can hold the light to your misery
 You're the number one
 Being hard done, hard done by
 You'll get by with your smile, wicked smile
 And laughing at the misfortune of others
 You gotta get your kicks kicking the pricks
 Laughing as they pick up sticks
 And old ladies walks on by
 Trip up as they cry

With all the battering it's taken
 I'm surprised it's still ticking
 Yeah, with all the battering it's taken
 I'm surprised it is still ticking

Let's get straight to the heart of matter
 Why so glum? It's all on the platter
 So what's the matter, what's the matter today?

I am no stranger to the cause
 I carry them in my soul
 Please torch my flesh
 And leave gray holes in the meaning of my life
 But I get by, I get by
 Just this crooked little smile
 You'll get by, you'll get by, you'll get by

With all the battering it's taken
 Well I'm surprised that it's still ticking
 Yeah, with all the battering it's taken

I'm surprised that it's still ticking
 Let's get straight to the heart of matter
 Why so glum? It's all on a platter
 So what's the matter, what's the matter today?
 Let's get straight to the heart of matter
 Why so glum? It's all on a platter
 What's the matter tell me, what's the matter today?

So hold the lights to my misery
 But don't send it up in flames
 It's only I who take the blame
 But try me anyway
 And you'll get by, and you'll get by
 With your wicked little smile
 And you'll get by, and you'll get by
 With your wicked little?

Oh, with all the battering it's taken
 I'm surprised that it's still ticking
 Yeah, with all the battering it's taken
 I'm surprised that it's still ti-cking
 Let's get straight to the heart of matter
 Oh, why so glum? It's all on a platter
 What's the matter, what's the matter today?
 Let's get straight to the heart of matter
 Why so glum? It's all on the platter
 What's the matter is the glory hallelujah day
 Straight to the heart of matter
 Oh, why so glum? It's all on a platter
 What's the matter, what's the matter today?
