                                                            Well I no longer hear the music
                                                            (Riff 1)
C7M Am C Dm7 G
Verso
      C C7M
Is it cruel or kind
                                                            Oh no no no no no
     Am
           C
Not to speak my mind
                                                            Verso
      Dm7
                                                                                    С
                                                                                                  C7M
And to lie to you
                                                            All the memories of the fights and the nights under
        G
                                                               Am
Rather than hurt you
                                                            blue lights
                                                                       C
                          C7M
                                                                                    Dm7
         C
Well I\'ll confess all of my sins
                                                            And all the kites we flew together
    Am
                 C
                                                                                 G
After several large gins
                                                            I thought they'd fly forever
                                                                                   C7M
             Dm7
                                                                                                 Am
                                                                       C
But still I'll hide from you
                                                           But all the highs and the lows and the tos and the
             G
Hide what\'s inside from you.
                                                            fros
   С
           C7M
                                                                       Dm7
And alarm bells ring
                                                            They left me dizzy
       Am
                                                                       G
When you say your heart still sings
                                                            Won't you forgive me
                                                                              C C7M
           Dm7
When you\'re with me
                                                            I no longer hear the music
                                                            (Riff 1)
  G
                                                                              Dm7 G
Oh, won't you please forgive me
                                                            Am C
                                                            I no longer hear the music
                   С
I no longer hear the music
(Riff 1)
                                                            G Gb
                       Dm7 G
C7M Am
              С
Oh no no no no no
                                                            (solo guitarra-base)
                      С
                                   C7M
                                                            FCFCFCG
And the memories of the pubs and the clubs
                                                            Refrão
     Am
                  C Dm7
And the drugs and the tubs we shared together
                                                                              F
                                                                      Gb
