Tom: E

B7 Em Am

Em  
How can we make you understand? All you can be is given in your hands.

B7#5 B7 Em

No, you won't need money,

Em Am

Trust in me, take me by the hand. Oh, give us a chip, dreams are,

Em  
Strewn across the sand, you won't need money.

Chorus:  
E  
Well all the bent back peddlers the jugglers and fools.

A7  
They drive me crazy, I'm climbing the walls,  
So show me the way, the way to my stool.

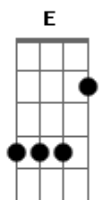

E B7#5 B7  
Cos I'm so sick, so sick of it all. When the penny drops.

Verse:
