

The Libertines - What a Waster

Tom: C

Obs.: Com exceção do acorde Em, todos os acordes são feitos com o uso de pestana.

Intro:

Am D
What a waster, what a fucking waster
G Em
You pissed it all up the wall
Am
Round the corner where they chased her
D
There's tears coming out from everywhere
G Em
The city's hard, the city's fair
Am D
Get back inside you've got nothing on
G Em Am G Am
No you mind yer bleedin own you two bob cunt

Am D
When she wakes up in the morning
G Em
She writes down all her dreams
Am D
Reads like the book of revelations
G Em
Or the Beano or the unabridged ulysses
Am D
Oh I really wanna know
G
So tell me, where does all the money go
Em
where does all the money go
Am D G G Gb F Em Am
Straight, straight up her nose

Em F Gb G
F G
And I never really liked it any way
F G Am G Am
So much preferred it the other way yeah

Am D
What a divvy what a fucking div
G Em
Talking like a moron, walking like a spiv
Am D
I was laying in bed paying my rent
G Em
Knocking on the door for something
Am
That she lent her brother
D

Meanwhile from under the covers she says
G Em
Save me from tommorow, now, save me from tommorow
Am D G G Gb F Em Am
Oh no, Oh no not me

Em F Gb G
F G
And I never really liked it any way
F G Am G Am
So much preferred it the other way yeah
F G
Never really liked it any way
F G Am G Am
So much preferred it the other way yeah

(solo)
Am D G Em (2x)

Am D
What a waster, what a fucking waster
G Em
You pissed it all up the wall
Am
Round the corner where they chased her
