

Life Is Strange - Alabaster Daydreams

tom:
Capostrate na 1ª casa

[Primeira Parte]

Where are you, girl from Rome?
Dusty paths, cross my way
For you just roots from home
Walking west, on that day

[Segunda Parte]

Are you well, in your heart?
Did you find what you lost?
I won't know, for my part
I won't know, what it cost

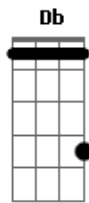

[Refrão]

Starring in the sky
Alabaster dreams
Odd chance for you and I
Alabaster Daydreams

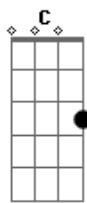

[Terceira Parte]

I moved on, so I thought

I settled down, found my place
Still I dreamed, of what you caught
Something true, in your grace

[Ponte]

Now I lay here by the lake
Thinking about you, what's at stake
Let me ask, please don't you lie
Do you recall? Do you recall, that single moment in July?

[Refrão]

Starring in the sky
Alabaster dreams
A chance for you and I
