## Lifehouse - All In All

```
Tom: E
Intro: / Riff 1: Dbm B E
               Dbm B Ab A
                                                              F.
                                                                       Е
                                                                   E
Verso 1: Riff 1
Standing on top of the edge it
                                                                   F
feels like it's going down
Everything stays in my mind
                                                                   E
feeling in a daze on the ground
Feels like it's gonna give
                                                                   Α
life's too hard to live anymore
I think I've had enough things too tough
                                                               Am
I'm out the door
                                                              Ponte:

    E
It's going on
                                                               Dbm
    F
It's going on
                                                              F
                   Gb
    Е
It's gonna be just fine
                                                              Dbm
    Α
You're holding on
                                                                      F
Am
Holding on today
                                                                   E
(Intro)
                                                                   F
Verso 2: Riff 1
Things don't stop and the others
                                                                   Е
announced they're moving on
Salt & tears in the minds
                                                                  Α
in the mouths of a bad decision
Too late for another mistake
                                                              Δm
it's bringing me down
With all your faults it isn't your fault
                                                              Holding on
                                                              EEE
                                                               today
What's going on
                                                                   Α
