## Lifehouse - Broken Acoustic

Tom: B	You got inside my head
Tuning - Half a step down I tried to the best of my ability to match the lyrics up with	I tried my best to be guarded, I'm an open book instead
the chord changes but I think it's pretty close. I tabbed this from the version they did at Vh1 hopefully I did a job. Enjoy! Intro:	I still see your reflection, Inside of my eyes
	That are looking for purpose, They're still looking for life
	Chrous 2
Verse 1	I'm falling apart, I'm barely breathing
The broken clock is a comfort	With a broken heart that's still beating
It helps me sleep tonight	In the pain is there healing
Maybe it can stop tomorrow	In your name I find meaning
From stealing all my time	So I'm holdin' on (I'm still holdin')
I am here still waiting	I'm holdin' on (I'm still holdin')
Though I still have my doubts	I'm holdin' on (I'm still holdin')
I am damaged at best	I'm barely holdin' on to you
Like you've already figured out	Bridge
Chrous 1	I'm hangin' on another day
I'm falling apart	Just to see what you will throw my way
I'm barely breathing	And I'm hanging on to the words you say
With a broken heart	You said that I will be ok
That's still beating	Verse 3
In the pain	The broken lights on the freeway left me here alone
There is healing	I may have lost my way now, haven't forgotten my way home
	Chrous 3
In your name	I'm falling apart, I'm barely breathing
I find meaning	With a broken heart that's still beating
So I'm holdin' on	In the pain there is healing
I'm holdin' on	In your name I find meaning
I'm holdin' on	So I'm holdin' on (I'm still holdin')
I'm barely holdin' on to you	I'm holdin' on (I'm still holdin')
Verse 2	I'm holdin' on (I'm still holdin')
The broken locks were a warning
