

Lifehouse - Come Back Down

Tom: **Db**

(**Db Ebm Gb Ebm**)

Staring right back in the face
 A memory can't be erased
 I know, because I tried
 Start to feel the emptiness
 and everything I'm gonna miss
 I know, that I can't hide

(**Gb Ab**)

All this time is passing by
 I think its time to just move on

Refrão:

(**Db Gb Ebm Gb**)

When you come back down
 If you land on your feet
 I hope you find a way to make it back to me
 When you come around
 I'll be there for you
 Don't have to be alone
 With what you're going through

(**Db Ebm Gb Ebm**)

Start to breathe and fake a smile
 Its all the same after a while

I know, that you are tired
 Carrying the ones you lost
 A picture frame with all the thoughts
 I know, you hold inside

(**Gb Ab**)

I hope that you can find your way back
 To the place where you belong

Ponte:

(**A Em**)

You're coming back down
 You say you feel lost, can i help you find it
 When you come around
 From time to time we all are blinded
 You're coming back down
 You don't have to tell me what you're feeling
 I know what you're going through
 I wont be the one that lets go of you

(**Db Gb Ebm Gb Ab**)

(**Gb Ab**)

I think its time to just move on
