

Lifehouse - Days Go By

Tom: **G**
Intro: **G Bb A** (at the beginning, just hammer the Low e string
(202020 than go into **Bb** and **A**.
I hope y'all understand this..)

G
So don't sit back and watch the days go by
G **Bb** **A**
Are you ever gonna live before you die
Em **D2**
And when things fall apart
C **G**
The world has come undone
Em **D2**
Leave it all behind
C **G**
Leave the loneliness alone
Em **D2** **C**

You wait forever blind
G
So come on and leave the years
C **D2**
When you watched the days go by
G
Come on and leave the fears
C **D2**
That you were afraid to find
Em **D2** **C**
Cause while you wait inside
G
The days go by

Interlude same as chorus
