

# Lifehouse - Fool

Tom: Gb

Db  
 Since my own arrogance has knocked my off my feet again  
Db A B  
 When you know I'm crawling to you as fast as I can  
Db A B  
 First teach me to walk and then I'll learn to dance for you  
Db A B  
 Like an honest clumsy clown tripping along the way

Bbm Gb  
 'cause I am reaching for you, but my arms aren't long enough  
Bbm Gb  
 And I am running to you, If I go a little faster  
Bbm Gb  
 And I am crying to you, But I can't hear my own voice  
Bbm Gb Gbm  
 And I am waiting for you, And trying not to fall asleep now

Db  
 and I am clumsily dancing away this fear  
Bbm  
 I am stumbling closer to you and I am  
Ebm

Tumbling over my pride  
Gb Ab Db  
 I will be a fool for you

Db A B  
 What are you thinking as you look down on me  
Db A B  
 Are you frustrated with my inconsistency  
Db A B  
 Or intrigued that I can find the will to get back on board  
Db A B  
 Maybe all of this is simply amusing

Bbm Gb  
 'cause I am reaching for you, But my arms aren't long enough  
Bbm Gb  
 And I am running to you, If I go a little faster  
Bbm Gb  
 And I am crying to you but, I can't hear my own voice  
Bbm Gb Gbm  
 And I am waiting for you, And trying not to fall asleep
