

# Lifehouse - I Want You To Know

Tom: C

Where will the sicle stop  
 When will the history end  
 This is where I get out  
 I can't go there anymore  
 Is hard to ignore the signs  
 Where all this tears come from  
 It fells like it never dried  
 What if we both become  
 We are stranger in a time  
 Where a --- is our only tie

I wanna to make you proud  
 I wanna to see you smile  
 But it wasn't good enough, yeah...

And I want you to know  
 That I love you the moust  
 And it breaks my heart to see you go

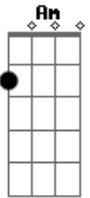

And I want you to know  
 That I love you the moust  
 And it breaks my heart to see you go

Where will the sicle stop  
 When will the history end  
 This is where I get out...
