Intro: Am x 2, E x 4, F x 2

Am E
these clouds around you break your fall
E F
as you came crashing to the ground
Am E
did you learn anything at all
E F
you climb back up to come back down

A Dm
everybody knows your name
G Em -> E
but they don't know who you are
A Dm
but to them it's just the same
G A Dm G E
yeah you're just another name

Am E
she said fame will bring you down
E F
at least that's what she used to say
Am E
then I handed her another crown
E F
she said it would never be this way

A Dm
everybody knows your name
G Em -> E
but they don't know who you are
A Dm
but to them it's just the same
G Am x 2, E x 2
yeah you're just another name
Am x 2, E x 2
just another name

A Dm
yesterday she was a little girl
G Em -> E
pretending she was queen yeah
F G C -> E7 -> Am -> G (play real fast)
didn't know it'd change the world
F E
didn't know what this should mean

Am E
which mask will you wear today
E F
how about the one with the pretty smile
Am E
to you it's just another day
E F
in a life you haven't lived in quite awhile

A Dm
everybody knows your name
G Em -> E
but they don't know who you are
A Dm
but to them it's just a game
G Em -> E
and I think it's gone too far
A Dm
everybody knows your name
G Em -> E
but they don't know who you are
A Dm
you've got the most familiar face
G Am x 2, E x 2
but your just another name
Am x 2, E x 2
just another name
Am x 2, E x 2
just another name

End in Am
