

# Lifehouse - The Joke

Tom: F

Dm  
 When you find me in the morning  
 Hanging on a warning  
Gm A  
 Oh... The joke is on you  
Dm  
 You said you were pretending  
 Here's to unhappy endings  
Gm A  
 Oh... The joke is on you  
  
Dm  
 To make sure yesterday doesn't repeat  
 I took a shortcut home  
 A left on the street  
Gm A  
 I know they won't find me here  
Dm  
 I found out how to make mama proud  
 Be real quiet, don't talk too loud  
Gm A  
 I try, try to disappear  
Dm  
 My life is for the taking  
Gm  
 Breakdown is awaking me

A

I'm ending all this pain  
  
 When you find me in the morning  
 Hanging on a warning  
 Oh... The joke is on you  
 You said you were pretending  
 Here's to unhappy endings  
 Oh... The joke is on you  
  
 This is my last day  
 Should have been my first kiss  
 Think to myself will I ever be missed?  
 I hope... Or maybe I don't care  
 I wear my team around my neck  
 I love them so much  
 Gonna love them to death  
 Tonight... See the world through my eyes  
  
 My life is for the taking  
 Breakdown is erasing me  
 I'm ending all this pain  
  
 My great escape  
 Is my biggest mistake  
 I think you better turn around  
 Don't throw it away  
 Today... Today...
