

# Lifehouse - Through These Times

Tom: C

<sup>C7</sup>  
I was alone living miles away  
<sup>C7</sup>  
I'm reading the signs and they've got nothing to say  
<sup>Am</sup> <sup>D</sup> <sup>Bm</sup> <sup>Am</sup>  
It's always the same reasons of why i should stay  
<sup>D</sup>  
But i've got nowhere else to go  
<sup>C</sup>  
So tell me where to go from here  
(so tell me where to go from here)  
<sup>G</sup> <sup>D</sup>  
Tell me how to find another way  
<sup>Am</sup>  
That you can get me out of this  
(you can get me out of this)  
<sup>G</sup> <sup>E</sup>  
If i could only make it through the day  
<sup>C</sup>  
So tell me where to go from here  
(so tell me where to go from here)  
<sup>G</sup> <sup>D</sup>  
Tell me is there more to find  
<sup>Am</sup>  
I'm looking for the only one  
(i'm looking for the only one)  
<sup>G</sup> <sup>E</sup>  
Who can get me through these times  
  
<sup>C7</sup>  
There was a time  
<sup>Em</sup>  
When i'd rather run away  
<sup>C7</sup>  
If there was a place to hide  
<sup>Em</sup>  
That's where you'd find me today  
<sup>Am</sup>  
But there was nowhere to run  
<sup>D</sup> <sup>Bm</sup>  
No one else to face but myself  
<sup>Am</sup> <sup>D</sup>  
You don't have to tell me i'm wrong

<sup>C</sup>  
So tell me where to go from here  
(so tell me where to go from here)  
<sup>G</sup> <sup>D</sup>  
Tell me how to find another way  
<sup>Am</sup>  
That you can get me out of this  
(you can get me out of this)  
<sup>G</sup> <sup>E</sup>  
If i could only make it through the day  
<sup>C</sup>  
So tell me where to go from here  
(so tell me where to go from here)  
<sup>G</sup> <sup>D</sup>  
Tell me is there more to find  
<sup>Am</sup>  
I'm looking for the only one  
(i'm looking for the only one)  
<sup>G</sup> <sup>E</sup>  
Who can get me through these times  
  
<sup>F</sup> <sup>C</sup> <sup>E</sup>  
Why can i look you in the eye  
<sup>F</sup> <sup>C</sup> <sup>E</sup>  
And know you see through me so i try to look away  
  
<sup>C</sup>  
So tell me where to go from here  
(so tell me where to go from here)  
<sup>G</sup> <sup>D</sup>  
Tell me how to find another way  
<sup>Am</sup>  
That you can get me out of this  
(you can get me out of this)  
<sup>G</sup> <sup>E</sup>  
If i could only make it through the day  
<sup>C</sup>  
So tell me where to go from here  
<sup>G</sup> <sup>D</sup>  
Tell me is there more to find  
<sup>Am</sup>  
I'm looking for the only one  
<sup>G</sup> <sup>E</sup>  
Who can get me through these times
