```
Tom: F
            C
Could you let down your hair
           Α
And be transparent for a while
Just a little while
See if your human after all
        G
Honesty is a hard attribute to find
                            Bb
When we all want to seem like we've got it all figured out
I may be the first to say that I don't have a clue
        Α
I don't have all the answers
And God I pretend like I do just
C G Bb A
Trying to find my way
C G Bb A
Trying to find my way the best that I know how
Dm C G A Bb
Well I haven't memorized all the cute things to say
But I'm working on it
Maybe I'll master this art form someday
                  G
                                        Bb
```

```
if I quote all the line off the top of my head
And you'd believe
    Bb
that I fully understand all of these things Ive read
                 Bb
Im just trying to find my way
C G Bb
Trying to find my way
C G Bb
Trying to find my way the best that I know how
             F
Well I havent drawn it or figured out quite yet
But even if it takes my whole life
To get to where I need to be
And if I should fall to the bottom of the end
I'll be one step back to you
  F C Bb
I'm trying to find my way
F C Bb A
Trying to find my way
       G Bb
