Verso 1

Gbm E
The sun goes down
Gbm E
as the city lights
A E
Pave their way
Gbm E
through the darkest nights
Gbm E
Raindrops fall
Gbm E
as an old man cries
A E
Never thought
Gbm E
to ever think twice

Bm
Of all he had
D E
Of all he lost
Bm
A selfish life
D E
I guess comes with the cost
A A
Hey, remember me
Gbm E D
I remember you walking away
A A
Hey, remember me
Gbm E D
I remember you walking away

Verso 2

Gbm E
The same old streets
Gbm E
just a different name
A E
Same old house
Gbm E
just the family's changed

Gbm E
Pickett fence
Gbm E
The window stains
A E
Freedom spells
Gbm E
by a man in chains

Bm D E
Silence is all we have to give
Bm
And the memories of a life
D E
I wish we'd lived

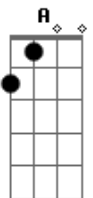

A A
Hey, remember me
Gbm E D
I remember you walking away
A A
Hey, remember me
Gbm E D
I remember you walking away

Verso 3

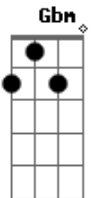

Gbm E
From all
Gmaj9
that you made
B
That you lost
D
Or threw away
C/5- E
Traded in for a brand new life

Gmaj9
But I can't
B
Can't let go
D
Can't turn around
C/5- E
Hold my head high and walk away
A A
Hey, remember me
Gbm E D
I remember you walking away
A A
Hey, remember me
Gbm E D
I remember you walking away
