

Lifehouse - What Happens Next

Tom: C

An amazing song from lifehouse ... the coords isn't too right ... but hope you en

you like it .

riff

change has never felt so good
change has never felt so hard
it ended up the way it should

will it ever stops , yea it never stops

riff

I did everything I could
I even gave you my heart
maybe I misunderstood

who you really are, who you really are

f#

I want you to know

I want you to see

that what happens next

it's not up to me

yeah , I let you go

haven't looked back

you had the last word , and I'll give you that

but what happens next, what happens next

Acordes
