

Lifehouse - Whatever It Takes

Tom: C

(intro 2x) C G

(verso 1)

A strangled smile fell from your face

It kills me that I hurt your this way

The worst part is that I didn't even know

(pré-refrão)

Now there's a million reasons for you to go

But if you can find a reason to stay

(refrão)

I'll do whatever it takes, To turn this around

I know what's at stake, I know that I've let you down

And if you give me a chance, Believe that I can change

I'll keep us together, whatever it takes

(C G) (2x)

(verso 2)

She said if we're gonna make this work

You gotta let me inside even though it hurts

Don't hide the broken parts that I need to see

(pré-refrão 2)

She said like it or not it's the way it's gotta be

You gotta love yourself if you can ever love me

(refrão 2)

I'll do whatever it takes, To turn this around

I know what's at stake, I know that I've let you down

And if you give me a chance, and give me a break

I'll keep us together, I know you deserve much better

(ponte)

But remember the time I told you the way that I felt

That I'd be lost without you and never find myself

Let's hold onto each other above everything else

Start over, start over

(refrão 3)

I'll do whatever it takes, To turn this around

I know what's at stake, I know that I've let you down

And if you give me a chance, Believe that I can change

I'll keep us together, whatever it takes

(G C) (2x)
