How sweet it would be if I found I could fly
       C          Am          F             C
Well I`d zoom to the sun and look down at the see
                   Am         F          C
And I sing, cause I know, how it feels to be free.
