

Lily - Toro

tom: Dbm

Intro: Sunkissed

Skin, it makes me feed into your mind tricks

Your eyes are ocean blue

But I'm seasick

Of all your pretty lies on your lipstick

Cryptic

[Refrão]

All my life want to take it over E Db

All my life want to take it over E Db

All my life want to take it over

Ab Stranger, do me the most

E Look into my eyes, be the holy to my Ghost Db Ab

E Bless me, your strange love Db

[Segunda Parte]

Baby

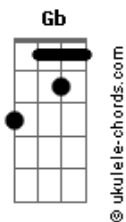

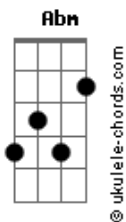

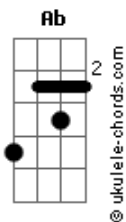

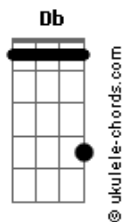

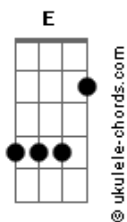

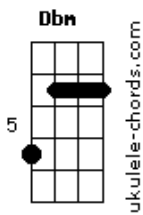

Where's the dirty love that you mentioned?

You make me start to question my own patience

I'm waiting on a knife to come an save me

Save me, please save me

Acordes

[Refrão]

All my life want to take it over E Db

All my life want to take it over E Db

Ab Stranger, do me the most

E Look into my eyes, be the holy to my Ghost Db Ab

E Bless me, your strange love Db

Ab Hold me, give me a kiss

E Wake me from this dream of a neverending pit Db Ab

E Bless me, your strange love Db

All my life want to take it over

All my life want to take it over

All my life want to take it over

All my life want to take it over

[Refrão]

Abm All my life want to take it over E Db

Ab All my life want to take it over E Db

Ab Stranger, do me the most

E Look into my eyes, be the holy to my Ghost Db Ab

E Bless me, your strange love Db

Ab Hold me, give me a kiss

E Wake me from this dream of a neverending pit Db Ab

E Bless me, your strange love Db
