

# Lil Darkie - I Can See Clearly

tom:  
D

Let us begin  
Once upon a time, Darkie was camping in the forest  
Probably havin' a really nice dream  
And, um, the sun started to rise and he woke up  
To the sight of a beam a light coming through his tent  
And uh, he couldn't wait to see what was outside

[Refrão]

I wish you saw me like you see you, see you (Oh, oh, oh)  
I wish you saw me like you see you, see me, see you (And this is what he thought about)

[Primeira Parte]

I wish you could see that I'm a person too  
I wish you could see that I am hurtin' too  
On the attack, the ignorance see me and they see food  
But I'll see them yack if it's truly the last thing that I'll do  
And they want that back, the power to place someone under rule  
But all of that's crap, hmm, all of that's crap to me  
All of that's crap

I can't see your face through all this shit y'all talkin' to me

Let's sit down and mix perspectives up and sip that smoothie  
Hate will bring you down, won't bring you up if you move smoothly

I may get around and act a clown, but you can't fool me

[Refrão]

I wish you saw me like you see you, oh, oh, oh  
I wish you saw me like you see you, see me, see you

[Pos-Refrão]

I wish you saw me  
I wish you saw me at all  
Saw us both the same  
I wish you saw me the same

[Final]

Ooh, na-na-na-na, na-na-na-na  
Na-na-na-na, na-na, na-na-na-na  
Na-na-na-na, na-na-na-na, na-na-na

I am outside right now and I see a hummingbird in the tree  
Oh, it flies away, how beautiful

## Acordes
