

Lil Dusty G - Preached

tom:
Capostrate na 2ª casa

[Primeira Parte]

I thank the head of the Church, the king of the sheep
My Messiah, my provider, everything that I need
I got questions, questions, questioning me
I remind myself of something that I don't wanna be

[Refrão]

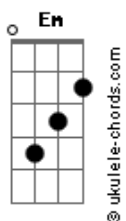

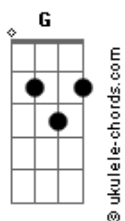

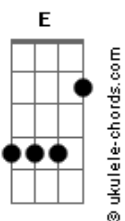

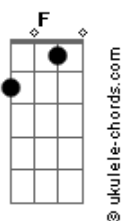

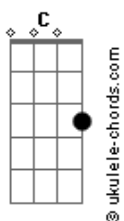

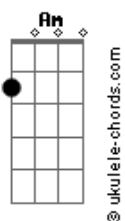

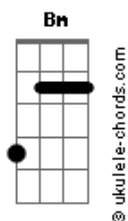

Hear my call, don't follow me
I seem obsessed, it bothers me
I know you won't get an apology
Animosity, get it off, it off of me

(Am C F E)
(Am C F E)

[Segunda Parte]

I love you so much it hurts, it hurts to believe
That you'd be anything other than disappointing to me
Straight into the dirt and out of your reach

Acordes

I would rather live in ignorance than learn what I preached

[Refrão]

Hear my call, don't follow me
I seem obsessed, it bothers me
I know you won't get an apology
Animosity, get it off, it off of me
(Am C F E)
(Am C F E)

(Am C F E)

[Ponte]

Here I am, here I am
Here we go, sounds like you never known
In the end, flowers bloom
Lay me down

[Refrão]

Hear my call, don't follow me
I seem obsessed, it bothers me
I know you won't get an apology
Animosity, get it off, it off of me
