

# Lil Nas X - Am I Dreaming (Feat. Miley Cyrus)

tom:

Every song  
 Every dream filled with hell from beyond  
 As i'm sinking  
 I relive the story

Every try  
 Every breakthrough, and every cry  
 As i'm sinking  
 I relive the story

[refrão]

Oh-oh-oh, never forget me  
 And everything i've done  
 Oh-oh-oh, never forget me  
 Like i'm your favorite song

I'm fading, replaying  
 These thoughts i thought while sinking down  
 Oh-oh-oh, never forget me

And ev?rything i've done  
 Tears running dry  
 Shatt?red inside, but i still gotta smile  
 As i'm sinking  
 I relive the story

Glitter comes off  
 Battered and blue, but i gotta go on  
 As i'm singing  
 I rewrite my story

[refrão]

Oh-oh-oh, never forget me  
 And everything i've done  
 Oh-oh-oh, never forget me  
 Like i'm your favorite song

I'm fading, replaying  
 These thoughts i thought while sinking down  
 Oh-oh-oh, never forget me  
 And ev?rything i've done

## Acordes
