Lil Nas X - Am I Dreaming (Feat. Miley Cyrus)

```
And ev?rything i've done
                           tom:
               Gm
                                                                            D
                                                             Gm
                                                               Tears running dry
                                                             Bb Gm
Shatt?red inside, but i still gotta smile
           Gm
                     D
   Every song
Bb
                                                                  Eb
                                  С
    Gm
                                                             As i'm sinking
Every dream filled with hell from beyond
     Eb
As i'm sinking
                                                             I relive the story
I relive the story
                                                                             D
                                                             Gm
                                                               Glitter comes off
     D
                                                             Bb
Gm
                                                                         Gm
                                                                                              C
                                                             Battered and blue, but i gotta go on
   Every try
                                                                  Eb
Bb
    Gm
Every breakthrough, and every cry
                                                             As i'm singing
     Fb
As i'm sinking
                                                             I rewrite my story
I relive the story
                                                             [refrão]
                                                                     D7
[refrão]
                                                                                  Fb
                                                             Bb
                                                                 Oh-oh-oh, never forget me
     D7
                     Eb
Bb
                                                                                Bb
   Oh-oh-oh, never forget me
                                                             And everything i've done
                                                                 D7 Eb
Oh-oh-oh, never forget me
                  Bb
                                                             Bb
And everything i've done
Bb D7
                     Eb
                                                                                   Bb
   Oh-oh-oh, never forget me
                                                             Like i'm your favorite song
                    Bb
Like i'm your favorite song
                                                             I'm fading, replaying
                                                                                                    Bb
                                                             Fb
          D7
                                                              These thoughts i thought while sinking down
I'm fading, replaying
                                                                  D7
                                                                               Eb
                                                             Oh-oh-oh, never forget me
Eb
                                      Bb
These thoughts i thought while sinking down
                                                             Fbm
                                                             And ev?rything i've done
    D7
                 Eb
Oh-oh-oh, never forget me
Ebm
Acordes
                  D
